1^{er} couplet

Hands, do more than wave
'cause hands can kill
And they can save.
You.
You are the key.
Life's in our hands
So sing with me.
You.
You are the key.
Life's in our hands
So sing with me.

Refrain

Hands are such a simple thing
But our hands can change most everything.
Keep care safe, give life a chance,
clean care for all, it's in your hands.
Hands are such a simple thing
But our hands can change most everything.
Keep care safe and take a stand,
clean care for all, it's in your hands.

2^{ème} couplet

Safe.
Clean care saves lives.
Rubbing our hands
Helps us survive.
Come and join the fight.
Demand clean care,
it is your right.
Come and join the fight.
Demand clean care,
it is your right.

Refrain

3^{ème} couplet

All around the world
All around the world (D. Pittet)
Let's join our hands
Let's join our hands (D. Pittet)
And let's be heard.
And let's be heard. (D. Pittet)
Rub your hands for you,
Rub your hands for you, (D. Pittet)
For those you love
For those you love (D. Pittet)
And patients too.
And patients too. (D. Pittet)
All around the world
Let's rub our hands
And let's be heard.

Refrain
